## OCS International Priority Mail delivers great savings without compromise on delivery times

OCS Worldwide has a Global Infrastructure to provide fast and low-cost Priority Mail delivery for all types of international mail. Our international portfolio includes business mail, product distribution, direct mail, magazines, company newsletters and promotions.

Utilising a matrix of overseas postal administrations, coupled with our own powerful courier distribution network, OCS can provide savings in excess of 25% compared with the traditional Post Office. We are an experienced export mail operator, able to offer tailored solutions to meet our customers' needs.

- Free collection
- No sorting
- No franking
- Priority delivery

### Delivery Aims

Europe 3-5 days  
Worldwide 5-7 days

OCS Worldwide is a major distributor of newspapers and magazines with in-house printing, insertion, polywrapping and lettershop services. Save space, time and money by taking advantage of the comprehensive fulfilment services OCS provide.

Mail order business to the USA? OCS provides unique parcel direct injection services which include Customs clearance.
